

The Best Café in Glastonbury – 2024

With so many to choose from this is not going to be easy but here goes...

For this article I looked at 19 cafes and 1 restaurant and 8788 reviews on Facebook, Google and Tripadvisor on 19th March 2024. Cafes had to have reviews on at least 2 of these 3 websites to be considered as I was looking for widespread insight to what reviewers think of Glastonbury cafes.

So without further ado, this is what the reviewers think...
